"(g) For the purpose of determining which percentage salary increase an individual shall receive who is on a contract salary for a period of less than twelve months (such as a faculty member in a college or university), the monthly salary rate which determines the percentage salary increase such individual shall receive, shall be that total contract salary divided by the number of months in the contract period. No salary or wage increase under this Act shall exceed \$174 per month.

"(h) The salary increases authorized herein are to be calculated on the basis of regular full-time employment. Persons paid hourly wages shall receive wage increases in the proportion that the number of hours worked bears to regular full-time employment for the type of work.

"Sec. 2. The amounts authorized in Article V, Sections 10, 12, 13, and 15, of House Bill 139, Chapter 659, Acts of the Sixty-third Legislature, 1973, for:

"Sec. 5. None of the funds appropriated by Section 3 of this Act shall be used to employ additional personnel.

"Sec. 6. In order to preserve fund equities, the special funds in the State Treasury specified in Section 3 are directed to reimburse the General Revenue Fund for this supplementation out of unexpended and unencumbered cash balances as of August 31, 1975, and such funds are hereby appropriated to the General Revenue Fund. In the event such unexpended and unencumbered cash balances are insufficient to totally reimburse the General Revenue Fund as of August 31, 1975, the Legislature shall appropriate out of such funds from any income to said funds during the biennium beginning September 1, 1975, a sufficient amount to totally reimburse the General Revenue Fund for any supplementation required to implement the salary, wage or other increases provided by this Act.

"Sec. 10. The Comptroller of Public Accounts shall promulgate rules, regulations, and procedures necessary to carry out the provision of this Act, and may require prior to the disbursement of funds under this Act such information as he may deem necessary to carry out the intent of this Act. Such information shall include a statement from each state agency, board, commission, department and institution reflecting the salary of each employee position, including all auxiliary and staff positions, and all other employee positions paid from institutional funds of agencies of higher education either in or out of the State Treasury, and the fund from which such salary was paid on January 31, 1975.

"Sec. 11. If any provision or provisions of this Act or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions, or applications, of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

"Sec. 12. This Act shall take effect February 1, 1975.

"Sec. 13. The fact that it is necessary to make a cost-of-living adjustment in the salaries and wages of state employees and the crowded condition of the calendar in each House create an emergency and an imperative necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and said Rule is hereby suspended; and this Act shall take effect and be in force from and after February 1, 1975; and it is so enacted."

A BILL
TO BE ENTITLED

An Act relating to increases in salaries, travel expense reimbursements, and state participation in group insurance premiums for certain state employees; prescribing sources of funds, conditions, and limitations; directing the reimbursement of the general revenue fund by special funds; authorizing certain appropriations; authorizing the comptroller to promulgate rules, regulations, and procedures and to require certain information; providing an effective date; and declaring an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Each state agency, board, commission, department, or institution for which appropriations were made by the 63rd Legislature out of the state treasury shall pay a salary increase to all employee positions, in addition to the amounts previously authorized by legislative appropriation or from other funds available for the remainder of the fiscal year ending August 31, 1975, notwithstanding the provisions of Chapter 46, Acts of the 59th Legislature, Regular Session, 1965 (Article 6813b, Vernon's Texas Civil Statutes). This increase shall not apply to employees of the House of Representatives or Senate or employees of members of the Legislature.

The salary increases authorized by this section shall be in amounts as follows:

(a) Positions covered by the Position Classification Plan which are classified in Salary Groups 2 through 12 inclusive shall receive a salary increase of 13 percent of the salary rate in effect on January 1, 1975. Such increase shall be granted notwithstanding the maximum limits for each salary group in the Classification Salary Schedule provided for the fiscal year beginning September 1, 1974, by House Bill 139, Chapter 659, Acts of the 63rd Legislature, Regular Session, 1973.

(b) Positions covered by the Position Classification Plan which are classified in Salary Groups 13 through 21 inclusive shall receive a salary increase of nine percent of the salary rate in effect on January 1, 1975. Such increase shall be granted notwithstanding the maximum limits for each salary group in the Classification Salary Schedule provided for the fiscal year beginning September 1, 1974, by House Bill 139, Chapter 659, Acts of the 63rd Legislature, Regular Session, 1973.

(c) All positions not covered by the Position Classification Plan, and for which monthly rates are less than \$876 on January 1, 1975, shall receive a salary or wage increase of 13 percent.

(d) All positions not covered by the Position Classification Plan, and for which monthly rates are \$876 to \$1,267 inclusive, on January 1, 1975, shall receive a salary increase of \$114 per month.

(e) All positions not covered by the Position Classification Plan, and for which monthly rates are more than \$1,267 but not greater than \$1,935 on January 1, 1975, shall receive a salary or wage increase of nine percent.

(f) All positions not covered by the Position Classification Plan, and for which monthly rates are greater than \$1,935 on January 1, 1975, shall receive a salary or wage increase of \$174 per month.

(g) For the purpose of determining which percentage salary increase an individual shall receive who is on a contract salary for a period of less than 12 months (such as a faculty member in a college or university), the monthly salary rate which determines the percentage salary increase such individual shall receive shall be that total contract salary divided by the number of months in the contract period. No salary or wage increase under this Act shall exceed \$174 per month.

(h) The salary increases authorized herein are to be calculated on the basis of regular full-time employment. Persons paid hourly wages shall receive wage increases in the proportion that the number of hours worked bears to regular full-time employment for the type of work.

Sec. 2. The amounts authorized in Article V, Sections 10, 12, 13, and 15, of House Bill 139, Chapter 659, Acts of the 63rd Legislature, Regular Session, 1973, for:

(a) employee premiums on group life, health, accident, accidental death and dismemberment, disability income and hospital, surgical and/or medical insurance policies shall be increased from \$12.50 per month to \$15 per month;

(b) reimbursement for use of motor vehicles and airplanes shall be increased from 12 cents to 16 cents per mile for reimbursement for use of employees' personally-owned or leased automobiles; from 12 cents to 21 cents for use of employees' personally-owned or leased airplanes, and from 16 cents to 21 cents for use of privately-owned or leased airplanes by executive heads, key officials, and members of the legislature; and

(c) per diem allowance in lieu of expenses for meals and lodging shall be increased from \$18 per diem to \$22 per diem, respectively, on the effective date of this Act, notwithstanding the provisions of Chapter 46, Acts of the 59th Legislature, Regular Session, 1965 (Article 6813b, Vernon's Texas Civil Statutes).

Sec. 3. Within the limit of institutional funds available, the salary, travel expense, and insurance premium increases authorized in Section 1 and Section 2 shall be granted to auxiliary employees of agencies of higher education.

Sec. 4. In order to preserve fund equities, the comptroller shall transfer from the special funds in the state treasury the amounts necessary to reimburse the General Revenue Fund for this supplementation out of unexpended and unencumbered cash balances as of August 31, 1975. In the event such unexpended and unencumbered cash balances are insufficient to totally reimburse the General Revenue Fund as of August 31, 1975, the legislature shall appropriate out of such funds from any income to said funds during the biennium beginning September 1, 1975, a sufficient amount to totally reimburse the General Revenue Fund for any supplementation required to implement the salary, wage, or other increases provided by this Act.

Sec. 5. Restrictions placed on supplementation of special funds in the treasury with general revenue funds by other provisions of general law are hereby repealed for the purposes of this Act.

Sec. 6. The comptroller of public accounts shall promulgate rules, regulations, and procedures necessary to carry out the provisions of this Act and may require prior to the disbursement of funds under this Act such information as he may deem necessary to carry out the intent of this Act. Such information shall include a statement from each state agency, board, commission, department, and institution reflecting the salary of each employee position, including all auxiliary and staff positions, and all other employee positions paid from institutional funds of agencies of higher education either in or out of the state treasury, and the fund from which such salary was paid on January 31, 1975.

Sec. 7. This Act takes effect February 1, 1975, and expires August 31, 1975, except that Section 4 expires August 31, 1977, and Section 2 has continuing effect.

Sec. 8. The fact that it is necessary to make a cost-of-living adjustment in the salaries and wages of state employees and the crowded condition of the calendar in each house create an emergency and an imperative necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and this rule is hereby suspended, and this Act shall take effect and be in force from and after February 1, 1975, and it is so enacted.

The Conference Committee Report was read and was adopted by the following vote: Yeas 27, Nays 0.

Yeas: Adams, Aikin, Braecklein, Brooks, Clower, Creighton, Doggett, Farabee, Gammage, Harrington, Harris, Jones, Kothmann, Lombardino, Longoria, McKinnon, McKnight, Mengden, Moore, Ogg, Patman, Santiesteban, Schwartz, Sherman, Snelson, Traeger and Williams.
